## Maths

We will be:

- Looking at numerals and recognising a numeral of significance (our age).
- Using "now" and "next" to say how old we are now and how old we will be on their next birthday.
- We will also be looking at our visual timetable for Nursery and using "now" and "next" to say what is happening now in their daily routine and what will be happening next.

## Phonics Phase 1 Aspect 5 – Alliteration

We will be:

- Listening for and identifying the initial sounds in words so that we can...
- ...find the odd one out from a group of objects.

## Learning opportunities:

We will be:

- Exploring some challenging water bottles (squeeze, pump and spray) and filling small containers.
- Wrapping tubes and boxes in tape, ribbon and wool.
- Continuing to explore our interest in mark making and beginning to write our names and numerals.
