Maths
We will be:

- Sorting groups with the same amount.
- Making Lego towers and sorting them into groups of towers which have the same number of blocks.
- Looking at animals and sorting them into groups of animals that have the same number of legs.

Phonics Phase 1 Aspect 5 – Alliteration
We will be:

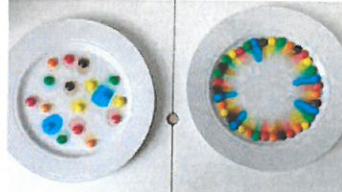

- Listening for and identifying the initial sounds in words so that we can...
- ...identify and play with alliteration.

Learning opportunities:
We will be:

- Finding out what happens when you mix Mento's and Coca Cola....
- Experimenting with different materials to make boats and finding out which float and which sink.
- Exploring maps, atlas's, globes and thinking about what they show us and what they are/ can be used for.
- Reading the book 'You Choose' and talking about where we would like to go and how we would like to get there.

Help At Home:
Become a scientist! There are loads of science experiment ideas of for pre-schoolers online. Why not have try one and send us an EY Log to show us what you found out. Simply type "science experiments for preschoolers" into a search engine. We're going to try this rainbow experiment with Skittles...
